

Dear parents,

The United Nations Population Fund (UNFPA) and Australian High Commission in Bangladesh jointly organised a humanitarian photo exhibition on the impact of climate change in Bangladesh titled, 'Climate Crisis and Upholding Rights of Women and Girls in Bangladesh' at the Nalini Kanta Bhattasali Gallery of the Bangladesh Nation Museum, Dhaka.

With permission from the above entities and the photographer, Prince Naymuzzaman – who will also be present – we will showcase a portion of the exhibit at our school on **Thursday, 1 December 2022 at 3PM.**

The exhibition will feature photographs, descriptions and a video installation reflecting the impact of climate change and natural disasters on women, girls, and other vulnerable populations in Bangladesh.
